We are one of the leading manufacturers and exporters of ms connectors and related accessories like ms connectors, reverse bayonet connectors, multipole mil connectors, circular threaded coupling connectors, etc.

## About Us

Established in the year 1985, Jetronics India is one of the leading companies involved in manufacturing and exporting of MS connectors and MIL C 5015 grade electrical connectors and related accessories.

Under the able and efficient guidance of our mentor Mr. Anil Bangia, we have been providing qualitative range of products to our clients as a Partnership Firm for over two decades now. Our well defined quality control methodology is meant to leave no scope of any fault in our entire product range. This ensures us maintaining strong hold over a wide base of our clientele spread across the globe.
